ECE Professional Development

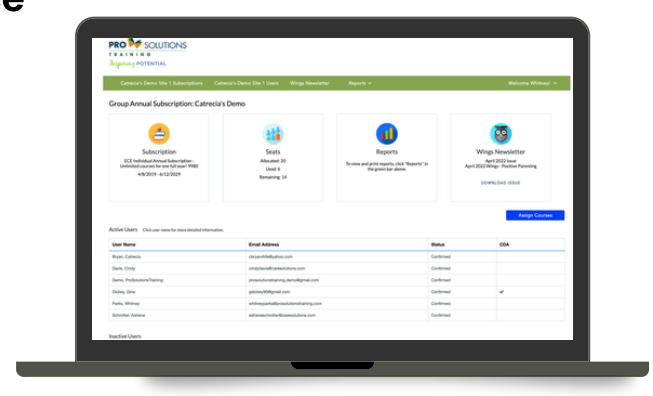

For Workforce Recovery

StraighterLine supports Florida's early childhood workforce with **high-quality online professional development** designed to strengthen educator retention, workforce resilience, and program quality.

Your Core Offering includes:

- ✓ 12-month access for your **entire workforce**
- ✓ **85+ course hours focused on Mindful Recovery and Resilience***
- ✓ **Admin Dashboard** to assign training and track completion
- ✓ **Certificates**, transcript support, and downloadable resources
- ✓ **Dedicated adoption and engagement support**

All courses earn IACET CEUs.

*This program meets the **American Relief Act** funding priorities, including workforce stabilization, quality improvement, educator support, and rebuilding child care capacity.*
